Feelsbad, all codes redeemed already

thanks anyways op

eXceptional - December 26, 2019, 2:09 am

What with Google Home Mini these days. People are just looting it.

Can I get one in India too?

[Tesla](#) I'm ready to pay if you can ship it to my place in India. People are selling the codes for 0.4\$ or maybe 1\$

I paid BigZJ to order mine for me, he does it for pretty cheap I'd reccomend using him

Vyrkfrir - December 26, 2019, 11:14 am

I didn't manage to snag one, but thanks for the giveaway. Appreciated ?

Either that or I just have no idea where to redeem it.

handsomedevil - December 26, 2019, 9:20 pm

can you have one for me i need this thank you pm me mate

kotf - December 27, 2019, 2:05 pm

Whoa!

I missed it

I guess I gotta keep an eye on you for giveaways

Tesla - December 27, 2019, 8:32 pm

Damn I missed all of them. How about you PM me a code? I'll pay you my PayPal balance of \$7.48
lol
