Thread: [\[DWC\] Community Alert Cryp uid=4098852 \[Scammer\]](#)

CrypRoyal - December 26, 2019, 12:10 pm

The user Cryp has built up a fairly decent reputation on this website.

This is just a DWC for all you guys thinking of dealing with him . Yes he has done a lot of deals but if you are a newer member then he will take advantage of this.

PROOF (remove spaces)

He scammed a new user for 500\$ of chargebacked money from his zelle! : https://serving.photos.photobox.com/1030852188714365_14f7d8d48d09b05a3c4fd325b4fb58136a252be0d2663d3e773c544.jpg

He also 'got away with paying me 100\$ instead of 300\$' also 'redeemed 2 cards which he claimed were invalid' : https://serving.photos.photobox.com/30406317f5c03849779a2067477cf0ba3ea8d403_aeb69cd98ceda5bc52072ea85623c36b.jpg

Chargeback with zelle:

<https://drive.google.com/file/d/1TAha77EZbM7hyKdyk7YoB77ssBIJaRWD/view?usp=drivesdk>

More on chargeback : [https://drive\[WARNING POSSIBLY INFECTED\]google.com/file/d/1B_lkcfjPaCXG9J6gUaQGB1l-gx7WK4dS/view?usp=drivesdk](https://drive.google.com/file/d/1B_lkcfjPaCXG9J6gUaQGB1l-gx7WK4dS/view?usp=drivesdk)

I don't think this is someone who should be trusted here on HF as he owed me this money and took over a month! Didn't even pay most of it as you see.

I would like to see action against this member because if it was anyone else they'd be banned for chargebacked payments ect so I don't think there should be any favourites in this case either.

Thanks

you here

.... got banned bc of him making up lies when it was him who scamming me. He's the one who had sent fraudulent funds to a new member. We did have a contract and Idk why you're complaint about my DWC about fraud tbh

well if you werent a ban evader you could have done that through the proper system - a deal dispute, but you only have to blame yourself for that.

bye

Labelled a ban evader because someone contacted admits and they fell for it ?

I know he's a terrible user. He has done this to a lot of people

(Dec 26, 2019 02:02 PM)AinzOal Wrote: [\[CITE\]](#) I've done exchanges multiple times with Cryp onsite/offsite and never had problem with him.

Me to. But if it's of large value he can't help himself after a while. Especially if you got banned on this website with outstanding money you'd never see it back.
