Thread: [Pictures of GFs feet](#)

Hitler - December 26, 2019, 8:18 pm

Thinking of selling pictures of my girlfriends feet, selling them for no less then \$3 a picture, and I can do custom orders (with a text sign, custom name) etc. let me know if you're interested. If you're interested immediately we will sell them for \$3 through PayPal or 2confirmation BTC.

Better be the best god damn foot I've ever seen.

EnG1ne - December 26, 2019, 8:24 pm

Going through rough times or what? God damn that's expensive.

Cooligan - December 27, 2019, 6:35 am

I mean in all reality there is definitely a market for this.

Try it out, I don't see how it could hurt as long as your girl doesn't have an issue with it lol.

Theocritus - December 27, 2019, 12:40 pm

there is always a market for fetish content, but i am not sure this site is it lol

Rally the Bulls - December 27, 2019, 12:46 pm

\$3? Too cheap, can't be quality foot.
