Thread: [I need adult traffic!](#)

paraliv - December 27, 2019, 1:52 pm

hi, i am interested in attracting natural backlinks if you know any good method 2019/2020, and otherwise i am interested in traffic on my page
is a page with adult content and refers to escorts, and their services.
if you know someone a method are available to pay.

my page is , [adultwork.ro](#) thanks.

Be careful of persons that send you traffics, it might affect your monetization plans.
i will suggest either you pay Bidvetizer, or any other adult traffic sites. you can build in your backllinks from there.

Although, you cant even get guys that can help you here, you will get if you go on Fiverr, SEO clerks, but like i said earlier, be careful.
