watch my (Full) YouTube Video and like & sub for a +3

Lindros - December 27, 2019, 10:57 pm

That's really awesome man you made that one? What software did you use?

I want to make NHL ones that are similar like these ones.

The last time I made videos was like 2009 when I was a kid lol. I don't really remember. The most views I ever got on any of my videos was like 40k.

I like your videos, No bullshit only content simply amazing and it's really good to see you are uploading
2 to 3 videos in a week, Your channel will grow soon.

Pleasure is mine brotha, Yep I subscribe to your channel and just shared the video with my friends
Let's make it to 100 subscribers <3

Prototype - January 21, 2020, 7:34 am

You could do with some graphical work on your channel though

Lol getting 100 subs might take me a year at this pace. Thanks a lot for trying to grow my channel

by sharing it with ur friends <3
