**BTB™** - December 30, 2019, 11:19 am

Hi HF,

So what are your New Year Resolutions for 2020?

Regards.

**Grim** - December 30, 2019, 11:23 am

Not really a resolution as much of a goal but im gonna renew my real estate license and start trying to bulk buy/sell. What about you?

**JaGLY** - December 30, 2019, 11:27 am

Mainly staying healthy and stuff like thar, all other resolutions will fade in to nothing with me anyways im more a on the go type of guy ?

**sybylvank** - December 30, 2019, 11:37 am

Not much really, just improve my coding skills, maybe finish my current RAT project and the usual things...

**Evax** - December 30, 2019, 11:37 am

Plant based diet to stay shredded for 4)/-5months and too many to list.

**Seagulls** - December 30, 2019, 12:54 pm

- 1) Stop gambling forever.
- 2) Get fit by hiring a personal trainer (I lack motivation, sorry for the cliché resolution

Apart from that I'm not sure. Tomorrow I want to make sure I set my resolutions in stone and see if there's anything else I should try achieve.

**Blogger** - December 30, 2019, 12:58 pm

My number one is learning how to deal with my anger issues better. Patience is huge, too. I just want to be happy and treat my gf better. I can be such a dick.

**Fish** - December 30, 2019, 1:00 pm

Still have a day to figure that one out!

**Mullet Muscle** - December 30, 2019, 1:00 pm

Resolutions are a sham, I'll continue doing what I'm doing.

**G-DopE** - December 30, 2019, 1:06 pm

Get a grip on my life and change for the better cause I am a complete disaster and not happy where I am and where I am going.

**BTB™** - December 30, 2019, 6:55 pm

Some interesting and honest resolutions here.

Keep them coming guys.

Cheers.

1) Be more social.

I took a cruise recently and the number of friends and impact I had on them while I was simply just being a more outgoing version of myself - alcohol involved - is honestly what I'd like to be getting out of my daily life. I shouldn't need to be drunk to be able to just walk up to someone and get a conversation going.

2) Work out.

I also felt out of place, I'm decently fit but not as big as I'd like. We'll work on it.

3) Get better pussy

I've been settling for like 5-6s

lets shoot our shot with the hotties m8s

The confidence, I like it.  
It's a build up, so if you got some 5-6s. The 9's will be like 12's

**Aeowulf** - December 30, 2019, 8:06 pm

Fake it 'til you make it right!?

**Mr Kewl** - December 30, 2019, 8:11 pm

We don't do that over here.  
Me to me every year.

**WalterE** - December 31, 2019, 4:02 am

1. Be more social.  
I've had moments where I didn't meet anyone for a week straight beside my family. Because I didn't make an effort.
2. Start going to the gym again.  
I did go a few times a week to the gym but it was too irregular, and I had moments where I didn't go to the gym for a month or two.
3. Make some cash lol

**BTB™** - December 31, 2019, 9:26 am

Great resolutions here.

Keep them coming.

Happy New Year 2020. Cheers.

**Deal** - December 31, 2019, 9:43 am

Only dumb people make New Year resolutions.

If you want to do something with your life just do it instead of being an idiot waiting for some number on a calendar to change.

People who has new year resolutions are so uninspiring.

Nice man! How long have you been in real estate? I'm still in school but I am considering like to try selling real estate on the side. I was reading up on it for a while though and they say like especially when you're new most agents go months without selling any properties.

Also dude no lie I am also looking into buying and reselling stuff. That's funny asf like both things you mentioned are both things I plan on getting into. For me I don't want to get into drop shipping right away, but I wanna buy bulk items off alibaba/AliExpress and like resell them on campus or Facebook marketplace etc...

**SweeTs** - December 31, 2019, 11:47 pm

Giving up Heroin for once and for all. I need to no matter what, cause its a filthy drug. Ive been strongly against suboxone cause i think its just government drug dealing. But im gonna set my pride aside and use it for a SHORT time just to help me get past the withdrawl stages. I've done it once before and was sucessfull for months i know i can do it again but for good. I love the drug but its just not good news. even though ive maintained on it for 2 1/2 years. GOODBYE Heroin HELLO 2020

I think new years resolutions are silly, if you want to achieve something just do it, don't wait until a certain time to start doing something. If that's your motivation then you're pretty silly.

I'd like to become more educated:p
