Thank you, thank you. First off, I want to thank my moms, my kids, my moms kids, my kids moms.... but most of all, I have to thank all of the chihdren at HF that can't count, can't read, and keep creating opportunities for me to track their inabilities.

I have been humbled by this opportunity for excellence.

Hell yeah man. She leaves it in her cup most of the day, you can already start to smell it fermenting.
Kids are just little drunk people running around. It's hilarious.

Thanks man. ?
