Thread: [enjoyin dem new year eve in front of my pc eae em](#)

nicemanforlife - December 31, 2019, 2:57 pm

yoo i installed AI on my laptop and it wishes me happy new year

i think it has fallen in love with me

how do you guys feel about being on PC on new year eve

incognito04 - December 31, 2019, 2:59 pm

I'm spending time with my online friends having fun playing games.

Aeowulf - December 31, 2019, 3:02 pm

About as much as I like seeing the same post 9 times in an hour. ?

my thread is the best tho

Fish - December 31, 2019, 3:35 pm

Happy New Years! Tell your computer I say it too

Aeowulf - December 31, 2019, 3:51 pm

Brush up on your english,that as pretty hard to read

Nyx - January 1, 2020, 10:25 am

Alright we get it, you saw the movie her.

No one cares.

"That as pretty hard to read"

I do not believe he is the only one that needs to brush up on his english.

That just made me wonder if in 50 years AI will have Sexual Organs
Man im going down an internet rabbit hole rn
