Will wait on vouches. Don't wanna pay even a cent for something that says are sales are final lmao.

Everyone should be careful with the user @Imperium, he most likely is trying an exit scam. He scam me for \$300 already and looking for other victims. The whole story is here:

So you changed your user name again...

Anyway, refund the BTC I send to you on bc1qx57fw83496anvgdvdn002rhtdupst5hcn226v6 and I will close the dispute.

I don't need your PP and we have nothing more to discuss. I'm unpleasantly surprise that you weren't banned yet.

Until then, no matter how many user names you'll change, I'll follow you and I'll warn all the users on every post you make on this forum.
