Thread: [Paying ~\\$0.10 for each 10 second task you complete](#)

Mycroft Holmes - January 2, 2020, 4:23 am

I am paying \$0.05 - \$0.15 for each 10 second task you complete. You can complete it multiple times. Multiple people can do that, so no worries if someone else posted.

You need one of the following:

> 1 or more YouTube accounts

> 1 or more Twitch accounts

Post here or PM me if you're interested.
