Yet another [State of Emergency Declared for NSW](#)

Quote:NSW is again in a state of emergency as it braces for a “very dangerous day” of searing temperatures and strong winds on Saturday, prompting fears that the worst is yet to come.
Stay indoors, otherwise make sure you got your respirators nearby!

If you're referring to my earlier posts, it is because it has not been proven beyond a reasonable doubt that climate change is real.

As soon as I see evidence to the contrary, my mind would change.

I am a firm believer of fact.
