Thread: [Did ewhoring for 2 hours in total after a 2 year break.](#)

1eye - January 2, 2020, 9:09 pm

Ewhored a total of 2 hours today, got 6x 50\$ and 180\$ on paypal.

Most people still think EW is hard or doesn't work anymore, well here you have it 2 year break but still able to make bank.

Damn bro, those are wicked decent earnings for only 2 hours after all that time.

Makes me want to try it out, I've never attempted ewhoring.

So you're using your own verified pp? Doesn't the guys get suspicious when they pay to an email with a guys name? :D

iwantmethods - January 4, 2020, 5:46 am

I'd want a free mentoring service. Need someone to spoonfeed me to start ewhoring. I've been wondering how people can be that dumb on spending online.

Nice earnings for just a couple of hours. How many people did you have to talk to to weed out the time wasters?

Chronicon - January 6, 2020, 6:59 am

Nice earnings OP, proves E-Whoring is far from dead.

You can upgrade to a business account and hide your name.

I honestly have a hard time. The methods I come up with haven't been very good lately. I'll earn \$5-10 here and there but doesn't really seem worth it for me.

Advice?

Do you use paid packs instead of free ones?
