Thread: [RED MONKEY Unlimited SMTP \(Inbox to Office365 and All Emails \)](#)

RED MONKEY - January 3, 2020, 8:29 am

Wssup Guys,

I am here to present Red Monkey SMTP

for the guys they have problems with office365 Or the problem of sending

this is the solution

Video for the smtp : youtube.com/watch?v=fP1yqubXER4&feature=youtu.be

let's talk why Red monkey smtp it's good or why you need to buy it

1 - it's "Unlimited" with limit dailing sending 45k msg per day .

2 - ikeep support the smtp , its mean iwill keep changing the ip and fixing any problem with smtp and show you how to keep the smtp inbox with you

3 - some people after they spreading bulk with any smtp it's goes to junk , with redmonkey smtp you will not facing this problem anymore

" iwill give you rdp inside it - Maxulk Mailer pro - and your smtp info and some things will bypassing the office365 bulk problem .

The smtp it's Monthly subscription (The price is inclusive of everything)

you can contact me on skype : live:.cid.455f3e7e02369f7d

or add me on discord : Redmonkey#6220
