It gets old just looking at text ?
Would be fun to talk to some of y'all.
Anyone want to do a discord call?
We could bounce ideas off one another, talk shit, or just hang out.
Maybe collab on a project or something.
Who's up for it? ?
Oh and btw must be at least 18 years old lmao, I'm not tryna waste time talking to skids

I'm Jessie. 23 years old female.
Looking for fun and a lot more, if you know what I mean.
