Thread: [WTB good adult traffic](#)

X.0D - January 4, 2020, 3:57 am

Hello. I have ewhored since the begging of it's time and now I am back into the game doing Snapchat with a real model.

I need mature traffic and not from 3th world country's or India. Since I have already wasted a few \$\$ on members here claiming big adds and turning out into waste of time / money I now will require proof / vouch adds.

PM ME if interested in doing business

I can get 100-200 Snapchat adds via my traffic Friday through Sunday and 100ish on weekdays.

I am still interested in this, I have a real model.

However I've already bought from a few people and turned out to be Clay Davis.

If you are able to send a few hundreds and they convert into money I will pay ur asking price x2

Don't come asking me to send you 250\$ for LQ public traffic

PM me for more details

Most traffic you buy from this site is POOR very little sales beat to go work a bit harder and get your own traffic

Caution, he is just trying to find new traffic sources by asking to "test" traffic. I gave him a preview of some random traffic and he started asking people adding him where they have his user from.

Dont risk your quality traffic with this skid.
