How To Make \$200 On eBay A Day - Works Daily No Money To Make Money

ONLY Three Copies Will Be Sold - Thats it!

Tried & True Method - Make at least \$200 or more a day!

Unique, and easy method selling a free trial offer by a Fortune 500 company offering service that is very popular and worth \$100 +

Method works because the free trial isn't advertised by the company, but has a easy offer sign up that requires only the name and address of the customer. Very practical, and item sells for \$29.95 several times a day!

Low saturation, instant results!

Do at least \$200 in sales in less than 48HRS or your money back Guaranteed!

Method doesn't require you to physically ship anything, nothing illegal or even remotely sketchy. No cash required to start, 100% Auto Pilot! Spend only a minute fulfilling each order.

Method is \$100 \$50
because it WORKS, and will make you A LOT of Money.

I do not accept PayPal for payment.

This doesn't have to be sold on eBay. It could be sold on many other marketplace platforms. Or even in Person. I have sold it on Facebook with marketplace.
