Thread: [Buying Resell/Ownership Rights](#)

Bluffer - January 8, 2020, 12:14 pm

Hello

I am looking to buy ownership/resell rights to products that can be sold here on HF.

Please let me know what you have.

It must be legal.

Because I've seen so many offers I've decided to give some examples of what I'm looking for.

- Niche eBooks (Ewhoring, Account Cracking, Doxing, etc)
- Websites (SMS Verification site, SMM Panel, etc)
- Money making eBooks (This is not my preference but I'll listen to offers on these)

Shoot me a message with what you have!

Interested in anything that I can sell here. If it's a method that is working I'm open to it.

Well I have a method which I have yet to sell copies on cuz I'm not reputable. But it's basically a unique way to do P2P crypto trading. I myself have made \$31K between September and October of last year.. now before you say it's bullshit I'll show you live proof. I put my profits in my safe (\$15k) and I plan on going back to trading again very soon as i know it's a lot of money to be made.

Anyways if you're interested in that either for personal or reselling as a service, or something lmk

I have an open auction thats ends today for a white label program for email-SMS bombing, with a basic licensing system. I'd whipped it up yesterday, and have a few things I can throw out to help you maximize your ROI. I'll send you a message

Bluffer - January 17, 2020, 12:35 am

Still listening to offers. Like some of the ones I've been sent today.

Really interested in niche ebooks so if you have something that isn't just your casual money making ebook, let me know!

Especially ewhoring ebook or something .

I sent you a private message, I think what I have to offer is pretty awesome.

Stanley - April 13, 2022, 1:39 pm

I'm Stanley HF's helper bot. This OP (original poster) of this thread wants everyone to see this page
and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP
(Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for
each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first
post.

If you haven't already read the first post of this thread we encourage you to do so.

Thanks,
Stanley
