Thread: [Free Borderlands 3 or Tom Clancy's Ghost Recon Breakpoint!](#)

omy11 - January 10, 2020, 12:31 am

I purchased a 5700xt from newegg and it came with a code to redeem either Borderlands 3 or Ghost Recon.

I already own Ghost Recon and i am not into Borderlands 3, so i am giving away the code.

The code will be redeemed through amdrewards and you will need to make an account, will it work? I have no idea.

Post to enter and ill raffle the winner based on your post number.
Winner will be selected today 01/10 in the Afternoon.

Goodluck! ?
