Thread: [Purse.io with Amazon Gift Cards Balance](#)

SanddBoxx - January 10, 2020, 10:42 pm

Hi! I just started investing \$100 of AGC and I just wanna know if my New Amazon Account will get closed doing purse.io orders. I also read that Amazon Balance restrictions towards purchasing something on Amazon.

It also stated that using Amazon Balance buying Gift Cards would lead my account for closure.

I am in need of an advice towards Purse.io if my NEW amazon account would get closed doing orders which are not gift cards related orders.

Thanks for everyone who would be able to help and advice me ?
