Never got paypal.

Making up excuses with paypal, now ignoring me while browsing. Another member opened up a dispute so might as well jump the gun. Owes me \$25 Bitcoin or \$28 PayPal.

What aren't people doing for \$25, lol. I'm sorry for your loss.

Money4life - January 12, 2020, 6:11 pm

This user tried to blackmail me for 25\$ too, and opened a DDs on me some mins ago...

Of course it's for gambling haha.

Mans probably gambled bis lunch money away too.

Abusing the contract system must not be allowed? Blackmailing people to send him money, or else he will open a false dispute.

Hope admins go thru this.
