Ahh my bad you mean the contract system

Natas - January 12, 2020, 6:44 pm

Might wanna put your contract link in the thread for staff dont close this

You should never be dealing with anyone selling ebooks anyways. If they made any money from the method they wouldn't be selling it.

Well, to be honest... There are some legit people that will invest their time into teaching the method

and helping you apply it. It's called referral marketing meaning they will make you sign up to a site through their link and then they are invested into it themselves as more money you make, more money they make ?

Grim - *January 12, 2020, 11:20 pm*

I did an exchange with this guy and everything was good. something a little odd the first AGC he sent me didnt work but he fixed it and made it right. so do with that info what you will.
