Thread: [Pc games for controllers](#)

Trip - January 12, 2020, 7:31 pm

What are some good games for controller user?

Maybe some competitive games doesn't matter. I can not use a mouse and keyboard thanks

GrapeTrain - January 12, 2020, 8:23 pm

Rocket League. Nearly impossible to use a keyboard and mouse if you ask me

Charmander - January 13, 2020, 9:20 am

Call of Duty , Destiny ? they are good for controller

Nate - January 13, 2020, 11:30 am

CoD, and maybe other console main games that got converted to PC

Super Smash Bros Melee on Dolphin, a GC/Nintendo emulator. It's pretty good honestly.
