Paid \$65 BTC for \$100 AGC. He said that all of his AGCs was used by his sister and could not provide me. I paid 2 days ago and asked for a refund instead. He makes lot of excuses and reasons to extend his time. Gave him a lot of chances to refund but won't refund me until now.

That sucks, hope he resolves it, but I doubt he will as he has 4 open disputes.

I hope he does. He was online 16/17 hours ago but not anymore as well as on discord. He's offline too. He probably ran? Not sure but I just really need my \$65 BTC ?

He's that Bulgarian scammer (BandataNaRaba) who keeps coming back. He exited on nforum back in 2018 but he still hasn't got enough.
