True that haha. I did gamble a lot with BTC and real money, but I seem to have bad luck with BlackJack, Scratchcards and Sportsbook.

Slots got me my Dicey award, so I guess that is going well for me. I like to give it a shot at Lotteries but I never won anything so far.

Good luck to you my man! ?

Oh wow! I didn't expect this at all.

I want to thank [flavoral](#) for alerting me first (I was recording something and was wondering why my phone was going off like crazy)

And [SIM-1729678](#) for raging at me

After realizing what had occurred, I was sweating profusely trying to observe what happened and to maintain my sanity.

Now I really need a shower, and perhaps fuel my gambling addiction for a bit.

This was fun! regardless of winning or losing, I think the whole event is great :)

I hope to see you all in the next one!

06:48PM: [Instagram](#) is a new crew owner
