Thread: [Pow3r's Byte Giveaway](#)

Pow3r - January 17, 2020, 7:53 am

Hey HF

Having ground up My bytes to 1750 I feel it is time to do a giveaway. The cost of entry to this? Simply tell me what you usually do with your bytes, a funny story related to using bytes or simply what you plan on doing if you win them. The winners will be drawn at random.

2 prizes -

1st - 1000

2nd - 750

Rep to enter isn't a requirement, but of course always appreciated ;) and all members are welcome. Good luck everyone. The draw will take place in 7 days and the winners will be notified in the thread and via PM.

?

+5 done already.

I'd love to enter this giveaway and win of course. I'll either sell the Bytes or use them to buy signature spaces on Hack Forums.

Maybe I'll buy your signature space for 30 days if your post count is good.

Grizzly - January 17, 2020, 9:07 am

Snowwy - January 17, 2020, 3:16 pm

Thank you for hosting.

I like to use my Bytes to gamble - either blackjack or sportsbook haha. Maybe your Bytes will bring me goodluck.

SIM-4398566 - January 17, 2020, 5:57 pm

Gave you a +3. I just gambled 7k bytes on blackjack yesterday and ended up with 0. I definitely won't be doing that with these if I win. I'd just save them for bumps/maybe sell in the future.

Lorem Ipsum - January 19, 2020, 5:51 am

I usually gamble my Bytes, use them for "loving" posts and of course random donations. I'm selling them now, so winning 1000 Bytes would either give me another chance at the Sportsbook or be sold.

Thank you for hosting this!

future selling of bytes if needed some funds :)
