Jingley - January 17, 2020, 2:18 pm

PM me your discord. Willing to buy

Elliot - January 17, 2020, 2:43 pm

OP has sent me a vouch copy. My review of the program is below:

Within the first hour of running the bot, I have received 40+ friend requests. It does it's job well as a way to provide consistent traffic to your Snapchat. I could see one getting 200-300+ requests daily if they were to leave this bot running all day.

If you don't really care about HQ traffic and want to focus on as many people seeing your story/adding you as possible, this is a great tool. It is extremely simple to use, and with lifetime access included, it could potentially be a great investment for your Snapchat needs.

Ethxn - January 17, 2020, 3:03 pm

I'm Stanley HF's helper bot. This OP (original poster) of this thread wants everyone to see this page and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP (Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.

If you haven't already read the first post of this thread we encourage you to do so.

Thanks,
Stanley

hackatton - January 18, 2020, 2:47 pm

jembo - January 19, 2020, 2:50 pm

DaCov19 - January 20, 2020, 9:45 am

Before I begin my review, I would like to thank you for giving us ("Appraisers"), the opportunity to review your product.

Caligio's Review for "[AddMeSnaps Poster - 24/7 Snapchat Traffic](#)" by [Traffic Solutions](#).

First of all the seller of the bot was really responsive and friendly. The bot itself is indeed light-weight and not at all complicated to use. I used it on 2 different accounts for around 24 hours straight.

One account was in the age gap of 18-20, the other one was 21-23.

The account which was between 18-20 years old, received around 30 adds the First hour (I started on a Monday 12 pm) and did receive a total of approximately 160 adds in the 24-hour time frame.

The account which was in the 21-23 age I started running around the same time and got a total of 60 adds the first hour with 240 adds total in 24 hours.

I did rather often check the addmesnaps page to see if the accounts were staying on top and they indeed were. Apart from the electrical bill, you might get for running this 24/7 the costs of running it were really cheap. My 2Captcha costs were only 0.00299\$ for the whole period.

Final Thoughts

In my opinion, this is a cool little tool to use especially for growing adult-niche Snapchat accounts, maybe not the best primary source for e-whoring because admesnaps has been used since forever and thus is a rather low-quality source of traffic as mentioned by OP

I would like to once again thank you for giving us "Appraisers" a chance to review your product.

Good luck with the sales! ?

jembo - January 20, 2020, 4:56 pm

Tool works just as advertised - solid! Again, not the best quality traffic, but imagine having 240 adds such as Caligio said. Multiply that by 30 and you get 7200 adds (theoretically atleast). Pretty solid stuff if you ask me.

I mean if you can't get sales with 200 adds a day, ewhoring might not be for you.

it's an addmefast site, so u choose that ur either a male or female and ur age, so if u signup as female and lets say age 21 you will get 99% adds from horny men that are interested in adult stuff.
