Thread: [Over 20,000 slots spins and no dice award yet](#)

**Moxxi** - January 17, 2020, 1:12 pm

Ranting cuz this is starting to piss me off, this is why I never gamble with real money my luck is shit lol

**Grey** - January 17, 2020, 1:53 pm

It took me 7,817 Spins to finally get it. I know of several people who it took well into the 10k range. I think this is the most i've seen without getting the award so far lol

**Nate** - January 17, 2020, 2:02 pm

Got it when it was first released with 800 bytes, even made 400 bytes by doing it :)

**Graybyte** - January 17, 2020, 2:12 pm

Ive got 1100 blackjack games played. Im hoping to get it soon

**V?rt** - January 17, 2020, 2:14 pm

Dang, I didn't realize it could take that long to get it. I'm only like 2k slots in lol

**Silent Uprising** - January 17, 2020, 2:18 pm

Fuck that dice thing. The slots keep fucking me up.

**Snowwy** - January 17, 2020, 3:24 pm

You'll get it eventually. Trust me. It took me ages. But it's awesome when you get it.

**Tax** - January 17, 2020, 3:28 pm

Guess I'm still the luckiest around here. I got mines within 10 spins, I only refreshed the page after the 10th spin so it could've happened within the first or second pin. Who knows lol.

I'm not looking for the dice. I play the games, and if the dice comes, then that's awesome!

I mostly play Blackjack, so yeah, it will definitely take some time! But if I get it that would be great.

I'm the same. Rarely play slots.

**Maxorg** - January 17, 2020, 3:46 pm

I'm only on 584 spins and won over 15,062 Bytes

I'm hoping to get the award soon as-well.

**Moxxi** - January 17, 2020, 4:00 pm

Lol I just got it within like 20 spins of making this thread

How much do you bet per hand?

**Graybyte** - January 17, 2020, 6:05 pm

(Jan 17, 2020 06:56 PM)Grey Wrote: [\[CITE\]](#) How much do you bet per hand?

if I have less than 50 bytes Ill bet 2. THEN after that I bet 10. After I have around 200 bytes Ill start betting 20.

**Crimin4L** - January 17, 2020, 6:11 pm

Lost hope in it. Seems that everyone that has it got it while the odds where fairly easy (1 in 1000). Now the odds are 1 in 10,000 so it's a lost cause for me now, I am at 7,406 Spins and still nada. I feel that its a bit unfair but hey, nothing you can do ?

**Dr. Einyel** - January 18, 2020, 6:52 am

It's all about luck. You'll get it at some point. Keep trying.

**A +** - January 18, 2020, 7:51 am

I thought the odds were 1:10,000. I just got mine recently after about 7,300 spins. Dear Lord glad I didn't go the 20 k route.

These games should not be on a forum of this category.

And please tell me why you think so?

You seem to have a strong opinion about everything and since you joined (today) all I see are negative or patronising posts.

Are you mad at someone or something? I might be able to help you out by emptying your negative burdens ?

You are nothing but a self-proclaimed savior and protector of this forum it seems.

Don't stress your angry white-knight little cupcake brain.

You really think I mind a little red on my profile. ?

Seriously? Why not change the order of your awards.

Or contact Omniscient to get it removed if it's bothering you? ?

**Geass** - January 23, 2020, 7:41 am

I am going to collect slowly as much credits and start spins until I get this award :p  
Does it has minimum bet like 20 credits? Does anyone knows?

**funtela** - January 23, 2020, 7:49 am

That seems like a cool award you got but I am trying to get the Lounge Head award I have 29% complete now.

**Zan** - February 7, 2020, 1:46 pm

I got my dice award after like 100 spins or so

**SIM-3323508** - February 7, 2020, 2:34 pm

Looks like you finally got it, congrats!

**SIM-4577611** - February 7, 2020, 5:54 pm

Looks pretty neat. How is the Dice award obtained?

**Exe** - February 7, 2020, 5:55 pm

how do you even check the spin counts

**SIM-4577611** - February 7, 2020, 8:08 pm

I never played Blackjack or the other games. Well I'm a newer member so yeah.

**Citoa** - February 8, 2020, 6:03 am

Seems like a lot of spins. Should I try going for the award?

**Geass** - February 8, 2020, 7:54 am

this award is kinda hard to get, I see many people to have it but still imagine in all the users who spin daily.

**V?rt** - February 8, 2020, 8:27 am

I'm gonna try and spend most of today spinning. Hopefully I can get it

If you do it daily, there is hope

**SIM-4577611** - February 8, 2020, 9:45 am

With odds like that it sure seems hard but still possible to get the Dice award. I'm trying to get the Lounge Award right now and I'm about 44% complete. The Dice award seems cool too though. Wish

me luck guys.
