For some reason OP hides the link with text the actual link is:

https://anonfile.com/92gfH9N3n3/700-800_overnight_btc_No_Inv_Req_pdf

I would not trust clicking this link.

It's a telegram bot just if anyone is wondering.

hulksta - January 19, 2020, 10:52 am

Is the pdf posted containing malware?

Mmmmh, fake? ?

hulksta - January 19, 2020, 11:18 am

Yeah it's about a telegram bot, you view ads on it and you withdraw BTC, 100% fake

I am about to ban telegram bots in this board. It only attracts scams, potentially malicious content, and low quality posts.
