They're really cool. Amazing work man. Keep it up!

vyactor - January 19, 2020, 5:28 pm

Your illustrations always amazes me. They're dope as always.

Makan - January 20, 2020, 4:03 am

The Matrix one looks really good, awesome work man!

Lorem Ipsum - January 21, 2020, 4:45 am

I love your cartoon / graffiti-ish looking art. Amazing work!

thank you for the feedback on my work ?
i will post more soon

Luca - January 21, 2020, 9:11 am

The first one is amazing however the second one looks much more complicated than it should be. Maybe a more minimalist version could be better

Vibe - January 21, 2020, 9:12 am

Those are really good man how much does something like that run?

Motusora - January 21, 2020, 9:32 am

price start at \$40 depends on the complexity of the design.

Geralt - January 21, 2020, 10:13 am

Love your style! Great job man

MK Sin - February 22, 2020, 8:51 am

They look amazing keep going dude
