The guy completed the job within 24 hours! Highly professional guy and the work was insanely amazing at this price point. Vouch!

Will order again from him in the future. ?

Lorem Ipsum - January 20, 2020, 6:55 am

Would you do a logo (HF avatar) in exchange for 1200 - 1500 Bytes? (\$5+)

I don't have BTC at the moment yet I'd like a logo. I have one other designing member but he charges \$25+ which is a bit high for me at the moment. Just my full honesty here.

Mr Sportsbook - January 20, 2020, 8:06 pm

This guy made me a very cool signature design for only 5\$.

He was fast and he has done a great job with just a few bucks, big vouch.

unrank3d - February 10, 2020, 12:22 pm

Very smooth deal. Hynk was very responsive and fast with the delivery. The final thread design looked beautiful and very eye-catching.

I messaged several gfx designers before him and they all were very slow to respond or very expensive. Hynk does great graphics for a great price. +recommended

I'm Stanley HF's helper bot. This OP (original poster) of this thread wants everyone to see this page and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP (Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.

If you haven't already read the first post of this thread we encourage you to do so.

Thanks,
Stanley
