Some Discord guy is still waiting for his balance of \$200 ?

Took this screenshot of the YouTube video, well done my man! I guess one of your "students" need a checkup.

Or I assume it's a student and not some guy you owe money haha.

wtf is wrong with you guys!!? ?

that guy sold some stuff to me and I haven't paid him his balance because I'm still waiting for my exchanger to send me btc for the giftcards I sold.

I obviously saw the message but didn't blur it!!

you guys got things all wrong!!! ?
