Love your designs! Especially that naked dude and BMW

Herbert - January 23, 2020, 5:43 pm

Not bad, keep it up ?

Maxorg - January 24, 2020, 3:09 pm

Wow, great work mate. The BMW and Laptop are both my favorites.

I just noticed this thanks to the Hack Forum News Edition 454!

You are an artist my man, I love your work.

There looking pretty good. I really like the video effects in the second video.

What program are you using to edit it?

thefamouszac - February 17, 2020, 8:41 pm

Dude these are impressive, that laptop one is sick!
