There is still a lot to do, but I got the base done.
I still have ~250 KB to mess around with design/velocity

here are some demos

That's really nice actually. If you can't click on the discord maybe make it last for an extra few seconds.
NJ though. :)

I like it as it is. It's minimalistic and smooth. Good job.

flavoral - January 24, 2020, 3:08 am

Love it man! Really smooth and simple.

Linux X - January 24, 2020, 4:03 am

Good job, need little re-work but looks good.

Makan - January 24, 2020, 5:24 am

I like this one alot actually, looks very clean and smooth, my fav is the white(lighter) version. The rolling of the arrow before "CONTACT" made my head hurt for some reason.

It's nice and sleek! good work.

Astrogen - January 24, 2020, 8:54 pm

Looks really good and sick bro!

oRequiem - January 25, 2020, 12:43 am

Looks really cool.
I love it, I wish I got into animations when it came to graphic design.
Definitely something I want to learn eventually. I have crazy ideas.
