Added +3, thank you for hosting this contest! I will use these 20\$ for buying a new graphic tablet.

Yanix - January 25, 2020, 3:47 am

+1 for you OP...If I win on this contest I will use it to buy some formula milk for my son who is 1 year old.

LoremIpsum - January 25, 2020, 4:37 am

Left you a +3 and I'd go for the \$20 BTC. It would either spend it on a domain or hosting package.

SIM-4398566 - January 25, 2020, 4:43 am

+3'd you and i'd probably just save it.

Yin Yang - January 25, 2020, 5:41 am

I just sent you +rep as well.

I would like to win this contest to add to my crypto portfolio. Hopefully BTC moons when the halving hits.

eXceptional - January 25, 2020, 6:10 am

I'd be more than happy to get BTC if I'm the first winner. I'm already upgraded to L33T, UB3R, EP1C & V3NDOR.

I missed the R00T upgrade though.

keztguru - January 25, 2020, 6:49 am

1 time is 1 time. Things like these make me understand why you charge \$3 for a Google'd image too joking ?

Wolf. - January 25, 2020, 12:29 pm

Explain in a sentence how this will benefit you - Long time member, lost a lot of my rep would be nice ot get ub3r to be trustworthy again ! Thanks !

My apologies, that was a mistake. I will not be posting more entries into this contest :)

And I thought you were asking me to change the color of the image that day. That was a mistake too.

I also made a mistake when I said \$3. Obviously, I realized and told you to send how much you thought it was worth, even 50 cents would've been okay.

No big deal. I wasn't even thinking about it when I said it, it's not like I was throwing a fit over the price.

Why did you throw a fit anyway? You can't stop talking about these little mistakes.

You shouldn't react that way, especially when you didn't even pay for anything?

I gave you a free sample and would have continued to work on multiple revisions if you had paid for it.

You didn't pay for anything.

Natas - January 25, 2020, 1:44 pm

I +3ed posting for my one entry thanks

I understand. I mean this; My apology for 'flaming' you my man. It's immature and it was uncalled for.

I won't harass you or contact you anymore unless I think it's in contradiction with the stuff you claim or post.

Thank you for the honest thoughts, I do appreciate it, yet I won't continue to argue back and forth about your designing skills though. ?

SIM-4398566 - January 25, 2020, 1:47 pm

I'll take another entry for this one.

Thank you, but no need for it. I won't remove you out of my list anyway. I just want to apologise for calling you out in public.

I rather ignore some members than I feel bothered or triggered by it. So with all respect and partially love, add me back to your Ignore list ?
