First Official Gamblers /Dev/Null:Ports Tournament

Every month my group will host an official tournament in various different games (poker, blackjack, DNP, slots, etc) where the winner will receive the limited Diamond of Gamblers award! There will only be 11 winners for this award, one winner per month for the remainder of 2020.

For our first official tournament, we are opening it up to all of Hackforums.

This tournament will feature DNP, the new game released earlier this month by [Xerotic](#) and [Omniscient](#) .

If you are unfamiliar with the game, read about it [here](#).

[/Dev/Null:Ports](#)

Tournament Info:

- Sunday, February 23rd at 11am PST.
- Prizes: 1st place will receive the Diamond of Gamblers award. 2nd - 3k Bytes, 3rd 1k Bytes
- Double elimination bracket will be set with all confirmed participants at 10:55am on the day of the tournament. Live updates will be available throughout the tournament.
- On the day of the tournament, you will be placed against an opponent. You will challenge your opponent to a DNP match.
- If your opponent doesn't come online and initiate the game within 15 minutes of the challenge, they forfeit.
- The winner of the match will move on to the next round. The loser will enter the losers bracket until they lose their second match.

How do you sign up?

- Non Gambler members: 3,000 bytes or \$15 buyin
- Gambler members: 1,000 bytes or \$5 buyin
- Use the contract form found below, then post on this thread once you have paid.
- Any cancellations must be made at least 24 hours before the start of the tournament in order to receive a refund.

I love this idea, I'll definitely be joining in for February. I'm gonna try my best to join every month actually

Money- - January 25, 2020, 7:09 pm

Nice , might bring some activity to DNP. Apparently this few days or weeks literally no one is playing it lol.

I think its just on my time zone? Correct me if I am wrong. Whenever I am online this few days I am the only one in queue?

Depending on the success of this tourney, I may shift to doing exclusively Gamblers only tournaments after.

Yeah I don't see much reason to play it other than to just learn how to play it.

Maybe when there's an award goal or some incentive to play it just for "fun"

I need that Gamblers invite though bruh. I'm trying to get the inside and make myself feel better because everybody around me loses more money than me.

I wish there was a goal, I like playing it for fun, but nobody else ever plays it

The cool thing about this DNP tournament compared to future poker tournaments, is that it doesn't require much attention and can easily be done on your phone.

Just gotta click some buttons and hope to get lucky lol

Once Gamblers reaches around 20-30 lifetime members, our official monthly tourney for the pink diamond award will be an exclusive poker tourney for gambler members only.

For now, since Gamblers is still fairly new and the award is brand new, the tourney is open to anyone and everyone for a small buyin fee.

DNP is a fun quick luck based battleship like game. Tourney is in 3 weeks, will hopefully get some more participants before then

What site would you use to host the poker matches? DNP is basically RNG. imho any form of gambling beyond poker is for degenerates.
