Thread: [Shopify website creation - \\$25 - Wordpress Divi \\$75](#)

Wolf - January 27, 2020, 4:28 am

After using Divi for over a year, I decided to open up a service.

>>>> I'll be creating you a full website, mobile responsive, custom design suited for your needs for \$75. At least, that's the starting pricerange and will include 3 pages full of content. I'll be able to assist you on further development and marketing ideas and it's something I'd be offering.

>>>> Also doing Shopify. Tell me what you need and I'll make you a website \$25 for real simple work, up to \$50.

Currently accepting BTC/ETH and WU.

Might accept PayPal for a higher fee, as I'm not having a functional account and would have to seek out to a friend.

Giving out 2 vouch copies.

Actually, yes. I don't mind doing a little project for you.

Please message me on Disc/Telegram and I'll work it out with you.

Hello,

We have agreed on a review in exchange for a (free) vouch copy of: "a simple Shopify store for 25\$", about 1 hour ago. Here it is, the review:

Review time!

Overall score: 9/10

This is most definitely the seller I'd pick if I would need a Shopify store. A fast delivery, a great seller, a fair pricing and great quality.

Speed: 8/10

The website was completed within just one hour. It was fast and he had sent me some updates

while he was working on it.

Customer service: 10/10

He's fast at replying and seemed to enjoy helping me. He wanted the best for me, which is great to see.

Quality: 9/10

Great quality, a very clean website and he has added some products for me as well. This is what I would expect a professional Shopify store to look like. Awesome site!

Pricing: 9/10

It is really cheap, considering the quality you get. I think it is really worth the money.

Thank you for the vouch copy, OP. And GLWS!

Kind regards,

Hello,

I would like to see if I could request one of your vouch copies if they have not already been taken.

I in return will write a full in depth review of your service!

Thank you

Hey Grim, I've sent you examples of my recent work (finished today).

No vouch copies are available, however, I'd be offering this service at a discount to the next buyer :)

Best website designer I've worked with til this date. Great prices, amazing customer service and

even better response times. This guy deserves nothing short of an 11/10 rating. Thanks Wolf.

Thank you 98.

Giving this thread a bump! Still offering these services.

Stanley - *March 1, 2020, 8:01 am*

I'm Stanley HF's helper bot. This OP (original poster) of this thread wants everyone to see this page and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP (Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.

If you haven't already read the first post of this thread we encourage you to do so.

Thanks,
Stanley
