Thread: [Heya Camp - Discussion](#)

Hello, I don't see a discussion thread on this anime, so I thought I'd create one.

Quote:The Outclub goes on a journey! The Outdoor Activities Club, Aka, the Outclub has 3 members. In the countryside of Yamanashi Prefecture, there's a high school named Motosu High School. Go even further to one of the school buildings and you'll find a very laid-back outdoor club that uses one corner of the classroom as their club room.

Kagamihara Nadeshiko finally wants to kill some time in their club room, but then Ohgaki Chiaki and Inuyama Aoi suddenly announce that they're all going on a trip.

They drag the confused Nadeshiko with them and the Outclub hustles all through Yamanashi. The girls enjoy the various local treats as they travel around, but where in the world is the end destination for this trip?!

You can find more about the anime, here: (I cannot post links -- Remove the space between https and :) [https://myanimelist.net/anime/38476/Heya\\_Camp](https://myanimelist.net/anime/38476/Heya_Camp)?

It's highly recommended to keep your posts in spoilers, but there really is no way to enforce that since this is a discussion thread and anything goes. Don't get upset if you read something and you aren't up-to-date with the current episodes.

New episode aired today! What do you guys think of this wholesome, but short anime? Episodes are only 3 minutes long, and there is no real plot to it, but it's cute to see our girls back at it but this time exploring different mountains and sightseeing areas in Japan.

Spoiler ([Click to View](#)) Last episode (episode 3) we got to see best girl, Rin! Hopefully she remains a character in the anime, but even if she doesn't that's fine considering a second season will be coming soon.

Are you guys hyped for the second season? Did you watch the first?

6 episodes down, we are halfway done with this wholesome series. This episode we got to see how Aoi and Chiaki met which was pretty cute.

The vending machines always get us foreigners interested in them, despite just being vending machines. But what's also interesting is what options of drinks you can get. For example, Chiaki ending up getting corn soup which is absolutely weird to me.

The second season is going to be very wholesome and relaxing. I hope that it lives up to the hype that I'm giving it. The first season was very cozy and I enjoyed it very much, as did a lot of people. ??

We didn't get to see Nadeshiko find her stamp rally sheet, but we were able to see the girls enjoy a nice cup of Houtou. Honestly, looks very good and I'd love to try some one day. Also, we see Nadeshiko's father at the end of the episode so I am wondering if he'll be one of the main cast in episode 8!

We are almost done with this anime and I am super excited for season 2!

Cute, wholesome episode! We got to see Rin reunited with Nadeshiko this episode and she was able to return Nadeshiko's stamp rally card. I hope to see the whole gang in the last two episodes of this mini-series.

Heya Camp is a great way to start the week. I always enjoy watching Heya Camp before I start watching anything else on Monday. Although it is short, I love watching this series. It sucks that the final episode is next Monday!

We still have quite some time until Yuru Camp season 2 airs but I cannot wait for it! Since it will be airing Winter 2021 I am sure we'll be getting a nice, wholesome and comfy series to watch and hopefully warm our hearts in the cold weather!

In episode 11, we learn that the stamp-rally was not a real event and was created by Aoi and Chiaki for Nadeshiko's enjoyment. It was cute seeing the clips of Nadeshiko watching them set up the rally and wondering what they were doing. I thought it was funny too.

I think the last episode we'll be getting a small sneak peek of what's to come for the second season! Nadeshiko wants to go camping so maybe we'll see Rin in the last episode too!

Another anime I am sad to see the end of! Good thing we'll be getting the second season of Yuru Camp next winter season.

I have a high rating for this anime. I'll give it anywhere between 8-10/10. The events were very cute and wholesome and I am glad that Chiaki and Aoi created the stamp rally so that Nadeshiko can get a better understanding of the city. In the end, Nadeshiko made a stamp rally herself! Does that

mean we'll be getting a Heya Camp part 2?! I would dig that!
