Thread: [50% OFF CHICK-FIL-A | ANY ITEMS ON YOUR OWN ACCOUNT! | REDEEMABLE AT ANY TIME!](#)

znc - January 27, 2020, 6:09 pm

I'm selling Chick-Fil-A for 50% off.

How it works:

- You tell me the items you want (anything on the Chick-Fil-A rewards section of their app)
- You pay 50% of the cost (PayPal, BTC, etc)
- I send you those items to your Chick-Fil-A account
- You can go to any location and get your food via mobile order for FREE whenever you'd like!

These will be redeemable for exactly 1 month after you purchase.

Popular Items Price List (at 50% off):

Spoiler ([Click to View](#))

8 nuggets = \$2

med fries = \$1

spicy sandwich = \$2.10

cfa deluxe = \$2.25

normal sandwich = \$2

spicy deluxe = \$2.40

grilled club = \$3.40

4 ct chicken strips = \$2.80

large shake = \$2

small shake = \$1.80

soft drink = \$1

lemonade = \$1.20

Note: If you spend more than \$25, it drops to less than 50% off.

Note: This is completely safe. I've personally used this method to purchase hundreds of dollars worth of Chick-Fil-A in the past couple of months. This is technically my IRL friends service, I'm just "partnering" and advertising for him to help him get some sales because I know it's legit and want to hook him up (he doesn't have any forums accounts or anything).

The food will be on your account redeemable for exactly 1 month after purchase. So, you can buy what you want now and order it tomorrow (on your own account using the Chick-Fil-A app) with no problem.

Make an account and send me the email you used. I'll gift you something small for free like fries or something. Then just go to your rewards section, click redeem on the fries, and see if a location near you shows up. If it does, means it works.

I'm Stanley HF's helper bot. This OP (original poster) of this thread wants everyone to see this page and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP (Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for each bump.
