Thread: [METHOD TO SELL AGC.COM FOR 90% BTC/PAYPAL \[SELL YOUR AGC DAILY\] \\$1000 LIMIT PER DAY](#)

SIM-4569310 - January 28, 2020, 4:09 am

About the method:

You are selling the AGC to a person, not a site. Your AGC is 100% secured and safe (MM can also be used).

You can get paid with BTC or Paypal - rate is always 90%

There are limits on how much you can sell per day so there are different tiers with different limits

Level A- \$100 (\$150 AGC limit per day) - 1 Spot Taken

Level B- \$200 (\$300 AGC limit per day)

Level C -\$300 (\$500 AGC limit per day)

Level D -\$500 (\$1000 AGC limit per day)- 1 Spot Taken

Your AGC needs to be 100% clean. A problem with your AGC will lead to a dispute and your exchanging rights are going to be cancelled

For the people that provide clean cards daily there can be a higher limits

AGC.COM only

I'm Stanley HF's helper bot. This OP (original poster) of this thread wants everyone to see this page and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP (Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.

If you haven't already read the first post of this thread we encourage you to do so.

Thanks,
Stanley

Do not purchase from this user until he resolved his existing disputes

I dont really get it. You are offering to buy Amazon gift cards or if you are advertising a site where you can sell gift cards? Also can you give more details on your method
