Thread: [Please where can i sell Rackspace Webmail](#)

Fred Thompson - January 29, 2020, 5:00 am

Been looking for where to sell my rackspace webmail accounts...which can also be used as smtp for mass mailing...

keztbeguru - January 29, 2020, 5:02 am

I think [Webmaster Marketplace](#) is the appropriate section for your service I think.

Good luck and read the documents before dealing make sure to use the Contract system.
