Thread: [Banner Logo Request](#)

BabyYoda - January 29, 2020, 10:05 am

Hello!

I'm currently looking for a banner logo for my forum. It doesn't need to be anything fancy at all, just a simple logo would be great.

I can provide more details if you're able to help out.

I'll +rep you and give you some bytes

His work is decent and I'm sure he will do something for you:)

But if you are going to pay for a banner I suggest [Crimin4L](#) keep meaning to get him to do something for me.

I do plan on paying in the future, however funds are pretty low right now. :P
