Thread: [Make money without any effort! \[5\\$+ a day\]](#)

I'm selling my e-book so everyone can use this method!

The setup is very easy and you can get your money back within a day.

All you have to do is leaving your computer on and running a program, nothing more.

Details:

No investment needed (except the computer ?)

Payout is through PayPal.

This method is not a cryptocurrency miner.

At least 5\$ a day but can be a lot more.

How to buy:

Price is 5\$ BTC for the e-book.

Please send me a PM or convo that you want to buy the e-book and I will give you payment informations as soon as I'm online.

I can give 2 vouch copies. Let's all make some money!

Can I have a vouch copy? I will provide a review as soon as I read the method.

Please give me a vouch copy, I will definitely post a honest review

I will gladly take a vouch copy, of course I will make an in-depth review afterwards, depending on the result. It will be honest, just to let you know.

But if you are confident in your method, there shouldnt be a problem.

all the members asking for vouches so far are very new and have no trust. I will take a vouch and post a high quality vouch for your service.
