The title says it all. Anyone know where i can obtain a legit copy?

**WalterE** - February 1, 2020, 10:24 am

Fraud isn't allowed here mate, take it's not worth it imo

**Phil Swift 47** - February 1, 2020, 10:23 pm

the dark web or i got discord that sell them had one a few days ago was clogging space on my HDD

**X6Elites** - February 2, 2020, 4:48 am

can you send it to me my discord Blaki#2890

**doth3righthong** - February 2, 2020, 9:18 am

It's outdated and also totally free with an ounce of effort.

Seriously though, it's basically the anarchists cookbook for skids and wannabe scammers. The stuff in there can easily get you sent to jail, it is not worth using as anything but reference material at best.

**Dwalf** - February 2, 2020, 8:15 pm

I just scammed a rich ass rapper for a promo!  
And I scammed a graphic designer for a logo.

You really should NOT have scammed your barber though....

**Deadfreak99** - February 3, 2020, 4:33 am

Yah i found a free copy of it on the dark web
