Thread: [Android application Install @0.03 \\$ Non Incentive install with high retention](#)

Jason Vision - February 1, 2020, 11:48 am

hello friends .

I am providing you android app installs for playstore uploaded application.

Pricing : 0.03 for worldwide installation
for one countries : 0.05-0.08 USD

If your application is not on Playstore I can help you to make it on store or will do install in alternative way .

connect to me on [live:official.ironman](#)

telegram : @installcpi
