Thread: [\[Infamous\] Upgrading 2 members](#)

MavenGradle - February 1, 2020, 6:03 pm

This content is brought to you by Infamous.

I will be upgrading 2 normal members to L33T. Please read the following requirements before entering the contest

Requirements

Must have at least 50 posts

Must be a normal member (E.g. a non-upgraded account)

Must not have any deal disputes

Only 10 entries will be allowed, and only one entry per person will be accepted

Entering or posting numbers multiple times is an instant disqualification from this contest

Must pick a unique number between 1 and 10 (so read up which numbers have already been picked) and post it here.

The two winners will be chosen by our dear friend random.org , which means that prayers to RNJesus are akways welcome. Good luck to all contestants.

The contest will end as soon as 10 normal members have posted unique numbers. In case 2 members post the same number and said number happens to be one of two lucky numbers, only the first person to have posted said number will be upgraded.

Unfortunately for this give-away, you need at least 50 posts to enter. If you post high quality and helpful posts on the forum, you could come back if the give-away is still available as soon as you reach 50 posts.

Great I'm sorry I didn't notice that as first! I will come back if I can get 50 posts haha.

Yanix - February 2, 2020, 4:03 am

Nice giveaway...non upgraded members should grab this chance to get upgraded at no cost.

More power [MavenGradle](#) God bless :)

Geass - February 2, 2020, 5:54 am

10 numbers? That is good that doesn't take very long :)

Sad it is not for award :p

Good luck to all users

Brainfood - February 2, 2020, 5:55 am

Back here once I meet the requirements, thanks for the contest.

Lorem Ipsum - February 2, 2020, 5:59 am

Can I pick a member who I want to upgrade, if I choose a correct number?

If I'm allowed to do so, I choose number 7. The lucky number, the number of the snake and much more.

I would choose member [DonS](#) for being a kind person, a great crypto trader and I think him becoming an Ub3r would be a nice gesture back for his kindness.

Edited

[Just read that it's only for non-upgrades to post. Ignore this post, please. May the luckiest member win!]

I think the contest is just for non upgraded members to win a chance of L33T membership.

I'm posting for [DonS](#) as a thanks for being so kind. Don't worry about it.

I understand the thread and edited my post, asking for others to ignore it. Thank you for understanding my man.

Also, I'm worried about your Trust-scan. No offence, just saying. Last post here! ??

I read it before you edited it, you gave me neg rep for that wow you love your Ub3r powers don't you.

Sad man, get a life.

I don't love my 'Ub3r powers' it's just a feature as an upgraded member.

I love how a member that joined yesterday, with 3 matching IP's is already trying to harass me.. please, don't be like this.

This was my last post. I won't turn this contest into some discussion thread with you, thank you. ?

I find it funny how I feel about your profile, already in 1 day after you joined;

< 3 matching IP's with other members

< Joined yesterday, yet already 30 posts

< Trying to blame me for power abuse as an Ub3r member

< Added me to your Ignore list (you knew the feature already? wow)

You remind me of either Justin or Sir. Still unsure which one. Please do not contact me again my man ?

iNuke - February 2, 2020, 2:01 pm

Don't know where this question came from but I'm afraid that this is not a recruitment thread. My advice would be to produce high quality content and help members when applicable.

It looks like you won't have any use for an account upgrade, as such the number 8 will remain available.

Stanley - February 4, 2020, 10:02 am

I'm Stanley HF's helper bot. This OP (original poster) of this thread wants everyone to see this page and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP (Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.

If you haven't already read the first post of this thread we encourage you to do so.

Thanks,
Stanley
