Thread: [LOVOO: VERIFIED \(BLUE TICK\) FEMALE DATING ACCOUNTS FOR EWHORING ETC](#)

MF D??M - February 2, 2020, 11:10 am

As the title says i have many female Lovoo accounts, these have been verified through a selfie verification system where the account owner has to perform an action asked in a selfie, very good for Ewhoring or whatever you want to do with them.

If you're interested then start a contract.

Price: \$5.00 = Verified Account (Blue Tick)

\$12.00 = Verified Account + VIP (Blue Tick + Paid VIP)

Yes I am pretty sure you can, I have not tried but other customers have asked the same and not come back to say it cant be done, so I'm assuming yes.

\$5.00 BlueTick Verified from selfie verification (Admin asks them to hold selfie certain way to prove they are real)

No other verified accounts at the moment, lovoo Verified is going hot.

Hey guys Verified is when they do a pose for a selfie etc and get the account verified, VIP is when they pay for the upgrade also, so those accounts are verified VIP.

Hope that clears it up

(Jun 22, 2020 12:16 PM)Airbornee Wrote: [\[CITE\]](#) Are these cracked accounts ?

Yes, but most members have reported at least 1 month of use before they need another account! But of course cracked with real female information and of course blue tick verified which gives you a much better chance as the blue tick is for girls who have verified with IDs, selfies etc.
