@Prettykitty, Please update with a reply that you have received the prize. :)

@eXceptional, thanks for your comment and your negative reaction, I was kind of away from my home PC due to a family matter. Not your fault, neither mine. It's okay, one negative rating won't affect my loyalty. ?

Anyway, I have already sent the prize to him or her. Just waiting for his/her confirmation

Yeah. You were online and after announcing the winner PrettyKitty never heard from you. Please contact me once the winner receives and I'll happily change my negative to positive. I just believe there is no place for fake contests here. It was my opinion and I kept it.

I'll be waiting to hear from [Prettykitty](#) and you.
