Thread: [I fucking hate pedophiles](#)

rSM- - February 4, 2020, 2:49 am

Decided to do some ewhoring on a few sites and I've had a few pedophiles come to me asking how old I was. Me playing along I said fourteen to see what their response was, and sooooo many of them said they were okay with it (They all ranged from 20-40) and started talking sexually. I don't know about yall but this S H I T grossed me the fuck out, so this is when the handy dandy ip logger comes in. Now if none of you have ever tried this, I suggest ip logging a pedophile, getting their phone number (they usually just give it out like horny fucktards) and then sending them all of their information and saying that i'm reporting them to the feds. Now if you've never watched a bunch of frantic pedophiles try and talk and bullshit and talk their way out of their wrongdoings, then holy fuck is it the funniest thing ever.

For those of you who fucking hate pedophiles (especially time wasting chomos while ewhoring), I'd wholeheartedly suggest having fun with this shit. These dumbfucks are sick.

I don't think this is a topic worthy of a thread lol
It's not very controversial to hate pedophiles

Silent Uprising - February 4, 2020, 5:36 am

Yeah I hate them too. I've never ewhorer before but sounds annoying to deal with that many pedos daily.

Charger - February 4, 2020, 5:40 am

So you're grossed out with someone wanting to talk to a kid, yet you're pretending to be a 14yo girl and attempting to sell nudes online (that aren't yours)?

Weird flex but ok

DrDoof - February 4, 2020, 5:56 am

(That is not pedophilia)

Maybe just don't talk to horny dudes if horny dudes piss you off retard

Geralt - February 4, 2020, 6:02 am

Wrong. I attempted to ewhore originally as a 20 year old chick but then switched to younger when pedos were trying to contact me, and instead of trying to get money out of them I just post their info and call their local PD.

when your brain doesn't work

Nate - February 4, 2020, 8:45 pm

I mean who fucking doesn't when I was locked up I saw a pedofile get murdered

More like Weed money, and its not that horny people gross me out, its that pedophiles gross me out. Theres a huge difference. Doesn't seem like it to you though... are you a chomo?

For some reason, considering this was last commented on in 2020 until you decided to comment on it.. it says very clearly (to me) that you went out of your way to in some form or fashion search up the term "pedophile" and that just screams red flag to me. Oof.
