Hypebeast is open for partnership.

I know a few people want to see a gaming group, coding, cars, etc.

If you want to have your group dreams come alive lmk

Just be aware you will be paying the \$250 rebrand fee and providing a userbar I approve of. I wont sell the group for 1 year and if I do you will be refunded the rebrand fee. Any other fees will also be paid for by you. We can set up buyins and do a % or whatever you want im not really opposed to having a fair partnership.

Not really interested in selling at current prices.
