Bossk - February 4, 2020, 7:15 am

Opened YT today and saw this:

Spoiler ([Click to View](#))

I've tried the new theme, but it looks retarded and everything is too big. Are you guys still on the old theme or you already done The Switch™ ? Sad day ????

Linux X - February 4, 2020, 7:18 am

Is this for real? ... If yes, F YOUTUBE!

Geralt - February 4, 2020, 7:19 am

Any pictures of the new theme? I'm not getting that popup and couldn't find anything about updates on google

Zexi - February 4, 2020, 7:24 am

I think its only a Swedish thing probably forcing Volvo ads too. Mine seems to be working fine.

oRequiem - February 4, 2020, 7:32 am

It was implemented for me 2 months ago unless it's something different, but it is kinda aids.

Moxxi - February 4, 2020, 7:39 am

idk im using it and kinda like it

DrDoof - February 4, 2020, 7:42 am

Saw it a few hours ago...and it fucking sucks big time, been postponing the inevitable change for two years now but now it seems it's game over

"New" theme is absolute horseshit so yeah gg youtube

Snowwy - February 4, 2020, 7:44 am

Why do you guys not like it? I am yet to see it..

Herbert - February 4, 2020, 8:04 am

same here

I don't like the new layout at all. the thumbnails are hideously large, the old one is way more compact and narrow.

Stork - February 4, 2020, 9:41 am

Have you seen the new facebook theme? It's just awful.

Rsynced - February 4, 2020, 9:58 am

I think they have a been a crap theme since way back when they got rid of categories.

I mainly use FB for messaging and groups, but it's cluttered and slow as hell. Personally I prefer the new version since at least it's more aesthetically pleasing. Still a slow pile of junk though.

Dotexe - February 4, 2020, 10:02 am

"New" ? this shit has been out for like few months already lol

funtela - February 4, 2020, 10:03 am

Doesn't look too bad. I noticed Netflix changed their theme recently too. At least on my Samsung smart tv

Nachfolger - February 4, 2020, 10:26 am

It takes less then a day to get used to the new theme, and IMO it's clean. Get with the times old man.

Yeah, everyone will adapt to it eventually.

SIM-3257834 - February 4, 2020, 10:43 am

New? I've had this theme for over a year already. Grown use to it already.

Citoe - February 4, 2020, 11:11 am

Youtube is turning to POOP. I really wish someone makes a new platform for videos that we can all go on.

spradebassen - February 4, 2020, 11:14 am

how about posting a picture of the actual new version?

waste of time ???

SIM-4398566 - February 4, 2020, 11:14 am

That doesn't look bad. It will only take a day to get used to it.
